Well, we had a better turnout for this years shoot. The forecast was for sun, hot and humid. Luckily, the heat stayed down and overcast skies helped for the first matches. The Plinker Class had 5 shooters. Tack Driver had 3 shooters battling it out for 1st, 2nd, and 3rd. The One Holer Class had 9 shooters going for the 250-10 X club record, but no one shot a 250, although good scores were put up by all shooters for the second year in row. 12-year-old Cooper Diego steered Tom Benoit's rifle into the top spot, besting all including his father, brother, and sister-in-law. Thanks Tom, for letting him shoot your rifle. We *will* do it again in 2018!
