2017 Barre Fish & Game Club Egg Shoot Summary

This was the by far the toughest conditions we have ever had on the day of

the Egg Shoot. Very nice day but it got really hot and humid.

The wind was constant with switches from all directions and some gusts up to 30 MPH !

Great shooting by all competitors! Only one shooter managed to stay clean in custom class. Congatulations to Tom Benoit, who also won the Factory Class.

Everyone had a great time with 38 Rifles on the line.

Thanks To Barry for running the line , Brian, and the target crew, Kale, Bob, Jon, Kevin, and all who went down range.

Rob and Byron in the kitchen (everyone complimented on how great lunch was!)

And a big thanks to Denise Moyer for her donation of the great potato salad! And Janet Wadle for the macaroni salad and all others who helped on this event.

I would like to thank Parro's Gun Shop, R & L Archery and the Old Fishing Hole Gun Shop for thier support and donations.

Thank you very much!.

We *will* do it again in 2018!
