2020 Plinker Rimfire Shoot

The 2020 Plinker Shoot is in the books!

We had 24 Shooters shooting 30 rifles in all classes.

Weather was not pleasant, temperature was 29 degrees when I arrived at the range at 7:15 am. The wind was calm at first but picked up as the matches went on. It turned out to be a sunny day with temperatures reaching mid 50s by match end.

All Shooters had a good time despite the weather.

Don Putnam Jr. fought through the last match to shoot a 250-14X to win the One Holer Class and set a new range record which should stand for quite a while.

Despite the weather and switchy wind, the day was a success.

A huge thank you to all who attended! We will do it again, September, 2021!
