

Barre Fish & Game Club Egg Shoot 2021

A beautiful day for the 2021 Egg Shoot with a record 48 guns on the line. All I can say is that it was HOT HOT HOT !! We had a switchy and gusty wind which caught a few of us off guard.

Everyone shot well and we had 5 shooters clean with 10 eggs with 10 shots heading into the final match. But that got narrowed down to 3 by the end of the final match.

In Custom Class we had 3 shooter's tie with 15 eggs with 15 shots, sending them to the shoot off for 1st through 3rd, and 2 Shooters, who both missed the 15th egg, for a shoot off for 4th and 5th.

The shoot off was 1 egg at a time with 1 minute to shoot each egg. Then, the clock was reset for 1 minute for the next Egg. The shoot off determined the top 5 in Custom Class.

Top shooters in Factory Class placed themselves and Creedmore scoring determined the positions with 1st hitting 12 Eggs with 15 Shots.
