

# Barre Fish & Game Club Plinker Rimfire Shoot 2024

The 2024 Plinker Shoot is in the books. We had 49 Shooters shooting 63 rifles in all classes.

A nice, sunny, fall day with light winds, temperature reached the low 80s by match end. What a beautiful day, for a record setting shoot.

All Shooters had a good time for a 9 Relay Shoot. The Match ran smooth with help from Shooters and Trustee's of the club. Special Thanks to Randy Henry for setting up and cooking food for the match and the food was great!

All Range Records were broken today, with 17 scores of 250 the most ever at this shoot. Thanks Everyone for a Great Match! We will do it again, September 2025
