

Barre Fish & Game Club June 9th 2024 Egg Shoot

What a day for the 16th Annual Barre Fish & Game Club Egg Shoot. Rain was in the forecast and showers started early but let up and the match went on as scheduled.

The wind was light but switchy with gusts of 5-10 mph. It was great day to shoot, but the rain did return and it poured hard during the last relays and shoot offs.

We had 34 shooters shooting 42 guns. Fifteen Shooters went into the shoot off from the Custom Class, all tied with 15 eggs and 15 shots so there were 3 relays.

There were 3 Shooters from the Factory Class in the shoot off with 15 Eggs and 15 shots.

Shoot Off was 1 egg at a time, 1 minute to shoot, then the clock was reset for 1 minute for the next egg.

Shoot Off placed top 10 in Custom Class with 10 going down to the Bullseye target with 20 Eggs with 20 Shots.

In Factory Class 3 Shooters shot to place 1st to 3rd all going to the Bullseye target.

It was a Great Shoot for the 16th Annual BF&G Club Egg Shoot

Thanks to Club Directors, Members, and Shooters for Helping with Target Crew. Special Thanks go to Devon Craig for running the kitchen and cooking lunch for the shoot.

Many shooters were pleased with the new benches installed at the club. It was a Great Shoot and we will do it again in 2025.
